

Global Discourse

Books in the series were first published as special issues of our *Global Discourse* journal.

The *Global Discourse* book series is an interdisciplinary, problem-oriented series of applied contemporary thought operating at the intersection of politics, international relations, sociology and social policy. The series scope is broad, encouraging interrogation of current affairs with regard to core questions of distributive justice, wellbeing, cultural diversity, autonomy, sovereignty, security and recognition. Authors are encouraged to explore the international dimensions and implications of their work.
