Creative Research Methods in Practice

Series Editor: **Helen Kara**, We Research It Ltd.

This dynamic new series presents short practical books by and for researchers around the world on how to use creative and innovative research methods from apps to zines. It is the first series to provide guidance on using creative research methods across all disciplines.

The series is edited by the world-renowned Helen Kara, author of *Creative Research Methods: A Practical Guide* and many other books. Textbooks in the series provide students and researchers at all levels with all the information needed to understand and use specific methods.
