## Global Migration and Social Change series

Series Editors: **Nando Sigona**, University of Birmingham, UK

This series showcases original research that looks at the nexus between migration, citizenship and social change. It aims to open up interdisciplinary terrain and to develop new scholarship in migration and refugee studies that is theoretically innovative, empirically rich and policy engaged.

The series includes research-based monographs and occasionally edited collections, informed by a range of qualitative and quantitative research methods.

### NEW IN THE SERIES
