

JOURNAL OF PUBLIC FINANCE AND PUBLIC CHOICE

The *Journal of Public Finance and Public Choice* was founded in 1983 by Professor Domenico da Empoli in the spirit of the Italian discipline of *Scienza delle finanze*, where political institutions and organizations, collective decision domains and processes, and individual motivations and flaws are never left out of economic analysis. Relaunched in 2018, *JPFPC* has been revitalized in print and online while maintaining its commitment to publishing high quality, peer-reviewed research.
